#### **5. Recommendations:**

##### **Vital:**

- Management should note the large number of CHB lecturers
- Majority of the CHB faculty do not possess NET / SET, concerned teachers should acquire necessary qualifications at an earliest
- Though IQAC committee monitors the results, there is need to further improve the system, so that remedial action can be taken specially to develop additional coaching to weaker students. In fact, teachers should know the academically weak and advance learners in the class right from the beginning of the year.

##### **Essential**

- More effective counseling is desirable at the time of admissions for specialized courses in order to check dropouts and failures in final year.
- College has a large enrollment but majority of them have entered with low marks. There is a need to motivate these students.

- There is need to encourage peer learning amongst students.
- Most of the teachers have started using multiple teaching methods for classroom and laboratory teaching. Since these methods are relatively new to most of the teachers, there is a need to learn from each other. As such formation of peer review teams, peer groups are recommended.
- Teachers are publishing their research articles and books, they should be motivated to publish it in web of Sciences, Scopus or UGC listed journals.

### **Desirable**

- Monitoring of First Year internal examination marks is essential to eliminate overmarking tendencies.
- College has introduced some need-based skill-oriented courses. It is recommended that more skill-based courses be started as per need of the Industries and the commercial market.

## **C] ROLES AND DUTIES**
