“Greetings to the images of Indira Gandhiji and Sardar Vallabhbhai Patel on behalf of Rashtriya Seva Yojana”

Jaysinghpur College, Jaysinghpur and Rashtriya Seva Yojana celebrated the death anniversary of Indira Gandhi Gandhi, the first woman Prime Minister of India, and Sardar Vallabhbhai Patel, the hero of the struggle for national unity. On this occasion, the principal of the college, Dr. Rajendra Kumbhar proposed, while formulating some political and economic developments Indiraji Gandhi deliberately nationalized 14 banks on 19 July 1969 and 8 banks in 1980 in order to oppose the capitalists and to benefit the banking system.

He lauded her international diplomacy and foresight of the 1971 Bangla-Pakistan war, stating that the first denomination she had introduced was a public interest at the time. He also briefed on her work done for poverty alleviation and population planning. While expressing his views on Sardar Vallabhbhai Patel he said, Patel united the country by using appropriate political and economic planning methods to keep India united. Patel is deliberately involved in a political party and ideology. But the work done by Patel does not lag behind. Appeal to Donate Plasma and Blood

Arjun Godge, Editor of Lokvarta Digital News Portal and Prof. Dr. Prabhakar Mane, Program Officer, NSS, Jaysingpur College, Jaysingpur made a humble appeal to the people to donate blood and plasma. From March 2020 to the present day, the Corona epidemic has directly and indirectly confronted every part of the country with many grim situations and issues. The epidemic has shattered the economy and has had a devastating effect on the economy and health of the people. This is because the number of patients with corona positive was huge during pandemic. At the same time, plasma and blood donation, which are essential for patients other than corona patients or at the time of surgery, was an important factor and was unfortunately lacking. But according to a social survey, the outbreak of the corona epidemic has led to a sharp drop in blood and plasma demand since March when blood donors and plasma donors turned their backs. As a result, the number of deaths due to lack of blood and plasma is steadily increasing. The government and the relatives of the patients have become helpless and those who show humanity and compassion like us should do good deeds by donating blood and plasma to save the lives of our countrymen instead of expressing their grief. Such a request was subtracted. As a solution to this, blood donation programs should be organized on the occasion of personal birthdays, wedding anniversaries, cultural programs, fair (yatra-jatra), Urus social reformers' anniversaries and other happy occasions. 97 students were actively participated in the program.

“The need for Gandhian thoughts to make India a secular, united, socio-economically and politically empowered country: Sanket Munot”

Mahatma Gandhi Vichar Prachar Samiti, Kurundwad organized a meeting of Gandhi Vichar activists. Students from various schools and colleges as well as volunteer students of Rashtriya Seva Yojana were present at the get-together and they received a glimpse of the overall work and ideological guidance of Mahatma Gandhi.

The sacred bones of Mahatma Gandhi were immersed on February 12, 1948 at the holy confluence of Krishna and Panchganga rivers near Kurundwad. On the occasion of this day after cleaning, Gandhian ideas were discussed at all levels in Kurundwad, Tal. Shirol by Gandhian activists and school-college students. The Karyakarta Melava started by worshipping the image of Mahatma Gandhi and singing the prayer ‘Raghupati raghav rajaram’. The National Organizer of Rashtra Seva Dal Babasaheb Nadaf, introduced the present dignitaries and Gandhian thinkers.

Founder of Dr. Ambedkar Agricultural Development and Research Institute Sangola Hon. Lalit Babar said that Charkha is a symbol of non-violence and a part of creative work. Further he said that the task of challenging divisions such as caste, religion, creed and region can only be done by Gandhi's inspiration and holistic work. After this, the third edition of the book 'Dhairyashil Yodha' was published by the dignitaries.

The chief guest of this gathering and Gandhian thinker Hon. Sanket Munot interacted with the students first with the slogan *Ek rupayaa chandicha, sara desh Ganhicha*. However, when he saw Mahatma Gandhi's appearance in the works of the great thinkers and eminent personalities of the country, the curiosity about Gandhi arose in his mind. He said that Gandhi Jayanti is celebrated in more than 600 universities internationally and an average of 60 booklets are written every year on Gandhi and more than 2 lakh books have been written on Napoleon and Mahatma Gandhi. Gandhi was the person who lived a simple life having high thoughts. The British imperialism in a number of countries were began to diminish because of spread of Gandhian thoughts.

Further he said that in the system created by Hindu fundamentalists in India and Muslim fundamentalists in Pakistan, Mahatma Gandhi's thought became an obstacle. This led to hatred and deadly attacks on him. He expressed the view that to make our country powerful we need to follow the thoughts of Gandhi. The highlight of the event was that Mr. Sanket Munot, a very young and Gandhian thinker, conducted a successful interacting with students through

Mahatma Gandhi's thought, which he succeeded in doing. The students asked a number of questions related to Mahatma Gandhi and satisfactory answers were given by Mr. Munot.

Hon'ble Sanjeev Sane, the Gandhian thinker who presided the session, laid out the innumerable streams of thought of Mahatma Gandhi and brought ideological Gandhian potential to the gathering. The vote of thanks of the first session was expressed by D.Y. Chavan.

After that, Shahir Balasaheb Naik presented *Povada* based on Gandhiji's life. Babasaheb Nadaf of Rashtra Seva Dal and his team enchanted the cultural song with the excellent accompaniment of famous musician Vijay Suvase. Smita Patil Kala Manch of Ichalkaranji performed songs about the work of Mahatma Gandhi. He got applause for singing this brilliant song.

In the second session, Santosh Jugale, Mahesh Ghotne, writer Neelmathai Mangave, Shreyansh Patil and Aditi Jugale interacted with the students on various aspects of Mahatma Gandhi. Students were connected to Gandhian thought through this dialogue. After this, oratory competitions on to the subject of Gandhi were organized at the level of secondary group and college group. Mr. Aman Patel from K.S.Patil Mahavidyalaya and Miss. Sirman Babasaheb Nadaf from Datta Mahavidyalaya got first prize.

The awards were given by the auspicious hands of Freedom Fighters Madhavrao Mane, Sundar Desai and Writer Neelmathai Mangave. The gathering concluded with singing of national unity and interfaith prayers.
