ONLINE FEEDBACKS ON CURRICULAR ASPECTS

REPORT

Academic Year: 2021-22

The institute takes online feedbacks from different stakeholders of the college like students, teachers, alumni and employers. The questionnaire for the feedback is constructed on the basis of applicability of the curriculum for all stakeholders in practical life. The analysis of the feedbacks focuses on the following points.

1. Students:

- The objectives of the course are well defined and meet the expectations of time.
- It develops professional skills, research aptitude and inculcates social ethics and human values.
- The syllabus instigates students to pursue higher education and empowers them with knowledge.
- The syllabus creates awareness about environment, gender equality and human values.

2. Teachers:

- The syllabi are rich with subject knowledge and have an appropriate scope to theory and its applicability.
- The institute provides enough resources for students and teachers.
- The course offers academic flexibility, scope for employability and analytical and logical thinking.
- More courses based on application are expected.

3. Alumni:

- The syllabus concentrates on student's comprehension level.
- It focuses over leadership qualities, technical skills, environment awareness and professional ethics.
- The institute provides sufficient amenities reading material and learning resources

4. Employers:

- The syllabus has scope for field work and projects.
- It enhances entrepreneurship skills for self-employment.
- It focuses on analytical thinking and research aptitude.
- The syllabus creates awareness about recent developments, challenges and global competency.

3. The syllabus provides comprehensive subject knowledge.

4. The curriculum imparts scope for employability.

5. The course develops skills for self-employment and entrepreneurship.

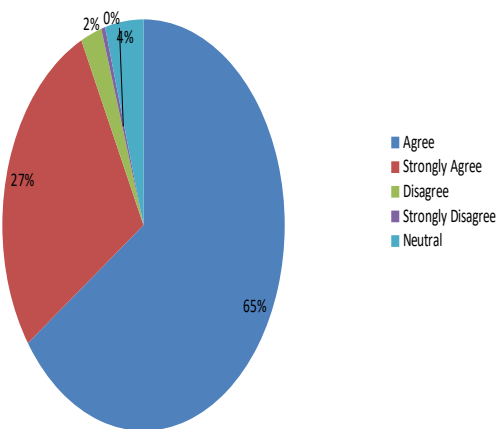

6. The syllabi inculcate moral and social ethics, human values and life skills.

7. The course develops research aptitude.

8. The syllabi motivate to pursue higher education .

9. The syllabi focus on cross-cutting issues like gender equality, human rights, professional ethics and environment sensitivity.

10. The syllabi empowers the students to face the challenges and sustain.

Suggestions:

1. In my point of view, there is vast syllabus for the study so there is need to shorten the syllabus.
2. There is need to shorten some contents of syllabus
3. Need for practical knowledge.
4. Syllabus is challenging for students.

9. The syllabus has prospects for higher education and employability.

10. Course content provide enough scope for analytical, logical, technical and creative skills for students.

Suggestions:

1. Don't change staff faculty every year.
2. Practical based education should be added.
3. We want to add some more application oriented syllabus for BCA.
4. Syllabus should be updated with practical aspect.
5. Syllabus should include more assessments for betterment of students.

6. Must need to change of syllabus with new content.
