A guest lecture on

“Carrier opportunities for B.Sc. Botany Students”

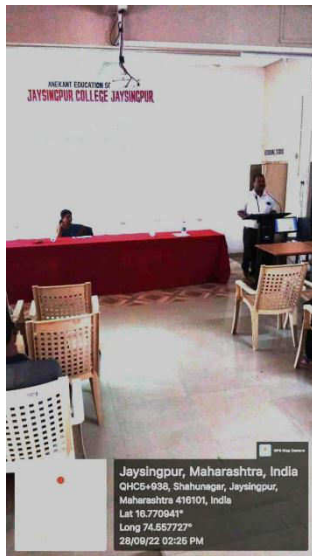

28th September, 2022

The Department of Botany has organized the guest lecture on the “**Carrier opportunities for B.Sc. Botany Students**” on **28th September, 2022**. The publicity of guest lecture was done through the various whatsapp groups of students. About 52 participants were participated in the program which includes B.Sc. students and teachers.

The program was started at **2:00 pm** with the welcome; Introduction and preface of Chief Guest of program Mr. Pravin Mali. During his talk, he has given the brief introduction of his company, Oasis Bio-control Laboratory, Shirol. The Oasis lab is engaged in the manufacturing of various bio-fertilizers and bio-pesticides. He briefly explained the various carrier opportunities after B.Sc. Botany graduation. He also suggested the recent openings for B.Sc. Botany graduate students in herbal drug industries. He has also given various examples to success stories of emerging entrepreneurs in plant sciences.

He has shared the knowledge of various research opportunities and variety of disciplines in plant science research. At the end of his talk he shared the success stories of plant science start-ups. The student participants have raised their questions and Mr. Pravin Mali has given the satisfactory answers to all the questions. At the end of program participants got the information about the diverse opportunities for B.Sc. (Botany) graduate students.

The vote of thanks was given by Dr. S. D. Umdale and with the permission chairperson he declared that program was over.
