Theme of Webinar

To study impact of lockdown on farmers and industries related to them, the present webinar is focusing on the following themes.

- Impact of COVID-19 on elementary education.
- Impact of COVID-19 on secondary and higher education.
- Can online education replace class room temperature.
- Mode of practical's, Demonstrations and Internship after corona
- Changing role of teacher in future education

About Webinar

The Indian education system is passing through transition state. Particularly due to National Education Policy-2019 and changed situation in corona pandemic the content of education and its relevance to teacher-student-society relationship change and leads to marginalization of poor's in education system. It is need of time that the educationist, activist, parents and students should come together to fight with this crises.
